Evening presentation and Concert followed by Wine and Cheese reception at the Saint Sharbel Spiritual Life Center with FLORIANI!

Floriani is a men's vocal ensemble dedicated to serving the Church and saving the culture through the beauty of sacred music.

Serving the Church. We envision nothing short of a revival of Catholic sacred music in churches nationwide, which will accelerate the return to sacred liturgical tradition and greater reverence for Jesus Christ in the Eucharist. This will be one essential component of the strengthening of the Church in America. A Catholic Church alive with the beauty of the liturgy will be a much more potent force for a nation that is collapsing for its rejection of what is true, good, and beautiful.

We're bringing this vision closer to reality by performing sacred music, recording original and traditional sacred compositions, training choirs in the method and content of sacred music, and conducting sacred music retreats for church choirs, introducing them to the Church's rich heritage of beautiful liturgical music.

In our post-Christian society, many hearts that are not open to Truth are still open to Beauty. We seek to provide encounters with beautiful sacred music in order to draw hearts to God. We aim to infiltrate the culture on social media, our recordings, our podcast, and public performances. We believe in the power of Sacred Beauty to awaken a desire for Christ and his Church.
